630.896.6373

OBJECTIVE: To assist you in embracing change by adopting new technology that will enhance your staff's productivity and cleaning quality.

SKILLS:

- Available:** Can work 365 days per year - I'll never take breaks
- Dependable:** Always on time - In fact, I rest and recharge where I work so that I am always available
- Independent:** I support the team by working w/out supervision, allowing resources to be used elsewhere
- Eco-friendly:** I have experience purifying your water and cleaning detergent
- Vocal:** I communicate effectively with superiors through e-mail and text message
- Trainable:** Once I know the plan, I follow it with no new training required
- Night Vision Capable:** I don't get offended by being kept in the dark

PRAISE:

"Intellibot lowered our overall cleaning costs while increasing our sanitation levels."

"Robots don't need supervision and provide consistent quality"

"Your best bet is a bot"
