

# PIKE SYSTEMS, INC.

## Getting Greener Everyday

Paper products make-up 31-38% of the waste collected in U.S. landfills. In an effort to reduce our environmental footprint, Pike Systems will be offering clients the option of receiving invoices via fax or e-mail. Please help us in our effort to reduce paper consumption and to make the world greener one day at a time.

- I would like to receive invoices and statements via fax.
