Takes sick days

No breaks required

Takes multiple breaks

Train 1x forever

Train every new employee

Reports results after each shift

Doesn't report results

Intellibot robots are changing how commercial floors are cleaned, while improving productivity and just about everything else. Operator-free robots release your workforce to focus on other cleaning projects. Get more done in the same time and reduce the cost of cleaning.

Escape your floor cleaning issues. For a live demonstration, please contact Intellibot at 503.433.1960 x1, or sales@intellibotrobotics.com.
